

Year 6 Home Learning – 8.6.2020

English Tasks

The Date Class Chronicles!

You should have all received your title for your story within the DCC. Use this week to write your story. It can be about anything but must feature you as the main character and be related to the title you have been given.

Maths Tasks

This week will be revisiting pie charts!

Day 1- reminder of how to read a pie chart?

Day 2- how do you construct a pie chart?

Day 3- problems linked to pie charts

Day 4- problem solving linked to pie charts.

Topic Tasks

We will be looking at the content of our Yearbook in connection to our “All About Me” topic. How have you changed since you first started at this school? Think about both physical and personality changes. What advice do you have for younger year groups? What advice do you have for your younger self?

Watch out for the Wednesday challenge!

Physical, Personal and Social Development

<p>PE</p> <p>PE Challenge – Socks in a box</p> <p>How many socks can you pair up and throw in a box in 60 seconds?</p> <p>Place unpaired socks 5 steps away from a box. Match up a pair of socks and throw them in the box.</p>	<p>Discussion</p> <p>How can we help?</p> <p>Watch Newsround and look at the things that are going on in the world right now. How can we help? There are small things that everyone can do in order to help the bigger picture. Can you think of any?</p>	<p>Singing</p> <p>Reply!</p> <p>This week it’s “When you believe” which we’ll be learning in class too! I love to see your comments and pictures of you joining in so please keep uploading them!</p>	<p>Art</p> <p>Rainbow</p> <p>In class, we are creating a mixed-media rainbow for the windows. It would be fantastic to use designs from everyone, whether they are in school or not. Can you create pictures using just one colour that we can incorporate into the larger rainbows?</p>
Languages	Reading	Discussion	Back to school

More Spanish! We will be doing some in class and I'll video our efforts for everyone at home to join in too.	Inference questions! Yay! Read along with me and then answer the questions on Seesaw by replying to the activity.	Things that make me smile! A great way to stay positive in tricky situations is to think about the things that make you smile. Share some of these by replying to the activity on Seesaw.	One of the really weird times being back in school will be break times. Can you think of any activities or games that children can play whilst still being able to socially distance themselves?
