## English Tasks

- Rewatch the talk for writing video and learn the actions for The Little Red Hen - <https://www.youtube.com/watch?v=JdvJZD-cplg>
- Can you retell the story to an adult or your teddies?
- Create a story map with pictures about what happens in the story.
- Choose one of your pictures and write a sentence explaining it. Try and include first, then, next etc.
- Ask an adult to time 5 mins and see if you can write as many of your phonics sounds you can remember.
- Have a go at reading this online story focussing on the sounds 'sh' and 'ch': <https://monsterphonics.com/home-learning-in-the-covid-19-lockdown/reception-home-learning/stage-3/>

## Maths Tasks

- Swat a number! Make your own dice [here](#) and write numbers up to 20 randomly on a big piece of a paper or on sticky notes. Roll the dice and then swat the number that comes up on the dice. How quickly can you match the numbers?
- Our number of this week is **16**. Can you find 16 items in your home then use them to make a variety of number sentences. How many can you find? Have a go at writing them out.
- Using the number 16, see if you can have a go at sharing 16 objects between you and your teddy or sibling. How many groups do you have? For an extra challenge, try and share between you and 3 teddies (4 altogether). How many groups do you have and how many objects in each group?

## Topic Tasks

- Last week was the Jewish festival, Shavuot. Watch the video [here](#) to learn about why the festival is important.
- One very delicious and fun Shavuot tradition is eating dairy, especially cheesecake! Can you and adult make some yummy cheesecake? Or why don't you try eating different varieties of cheese or yogurt.

### Physical, Personal and Social Development

Have a go at the PE challenge for this week!

#### PE Challenge – Around the World

How many times can you pass a ball around your waist in 60 seconds?

If you drop the ball you need to pick it up quickly and carry on.

If you do not have a ball use a pillow or a cuddly toy.

Have dance and move in a silly way to [Get Yo Body Movin - Koo Koo Kanga Roo | GoNoodle](#)

To celebrate Shavuot, can you make your own cheesy message cheese and crackers? Put some cheese on a cracker and say something kind to a friend or a sibling?

Play this 'Emotions Snap' game. You can find all the information [here](#)

We hope you are enjoying the videos on Mosaic's new YouTube channel. As the weeks go on we will continue uploading videos on a range of subjects including, Phonics, Maths, Jewish Learning and more. Below is some guidance on how these videos can be used.

1. **Phase 2 and 3 phonics/Phase 2 and 3 tricky words** - can be used daily and without adult input. If we were in school we would be reviewing these sounds and tricky words each day with the children. Children can also practise writing the tricky words independently.
2. **Number of the week** - complete each time there is a new number posted, can be used twice with children for practise. If you create the template for the children they may be able to do most of it independently.
3. **Maths topics e.g. 3D/2D shapes** - can be used once and then used as a quick recap. Adult input generally required.
4. **Phonics sounds e.g. ch phonics** - can be used once or until children feel confident with that sound. Please note children will often recognise the sounds such as 'ch, sh, ai' on their own but find it trickier to read these in words so practise is key! Children can watch this video independently but adult input required for any challenges or extra work.
5. **Story times and other videos** - use as often as you want! Children can watch these independently.

If you have any questions or your child has any suggestions of some videos they would like to see uploaded please email [chelsea.shevlin@mjps.org.uk](mailto:chelsea.shevlin@mjps.org.uk).
