		Skipping Challenge!	

This week's discussion time craft will be on Seesaw. We are exploring where we are from. Can you explore the flags which your family associate with? What countries are you from or have a strong connection too? It's time to ask your adults for lots of information.

Create your self-portrait with your flag in the background.

This week we will be making fruit faces and hoping for lots of tiger's fruit faces. Make sure you take a picture of these and seesaw it before you eat them!

See Seesaw 😊

The task from last week was a little delayed but look out for the video coming this week to explain what you need to do.

In the meantime, have a look at some of these stories from and about other cultures.
