English Tasks

For the next couple of weeks, we will be looking at story writing. There will be a mix of analysis, grammar work, planning and the actual writing!

This week- analysis! All activities are on Seesaw with videos and prompts to help you!

Day 1- How is a story structured and why? Answer the questions by replying to the activity on Seesaw.

Day 2- Why do we need settings? BBC Bitesize helps us again! Watch the video, take the quiz and then answer my questions on Seesaw.

Day 3- Audience and purpose. It's incredibly important to think about both the audience you are writing for and the purpose. Have a look at the videos and complete the questions. There are two activities for this one; questions appear at the end of the second activity.

Day 4- grammar check! First person versus third person. The video is a bit old (possibly as old as me!) but it is very useful. Which would be better for your story? Have a go at the sheet too.

Maths Tasks

We will be continuing with the idea of angles in shapes followed by a bit of general problem solving this week. For each day, there is a video and a worksheet. Remember to ask me any questions you have. Only I can see your comments- no one else in the class can see anyone else's work unless I tag them.

Day 1- Angles in special quadrilaterals

Day 2- Angles in regular polygons.

Day 3- Problem solving

Day 4- Problem solving.

Topic Tasks

Project time! This half term, our topic is "All About Me". I would like to know about your surrounding area. Create a map of your street and the nearby streets. Are there any particular landmarks or is it mainly houses? Have a look at the activity on Seesaw for some ideas!

Physical, Personal and Social Development

PE	Poetry	Singing	Art
This week, Mrs Pearce has set you a task! In honour of Captain Tom	Sonnets! What is a sonnet? Have a look at the link to learn about the	Double singing this week!! Mrs Aloni will share a singing assembly on	Check out Mrs Novak's art project. Can you create some art work using

Moore's 100 th birthday, we are asking you to do the 100 rep challenge!! Watch Mrs Pearce's video on Seesaw to explain more!	structure. Challenge: can you write a sonnet of your own? Traditionally they were poems of love. You can still write a love poem but it can be for family members or friendship or just about something you really love to do (chocolate anyone??!!).	Wednesday. But in the meantime, I've done another Beatles song called "Let It Be". Join in! I would love to see videos of you joining in with either of them.	only blue? Can you be creative in the materials you choose? Why is blue such an important colour in Judaism?
Jewish Studies 8 th May is VE day. What is this? Why is it important? How did this affect the Jewish people?	Reading Inference questions! Yay! Read along with me and then answer the questions on Seesaw.	Tzedekah If you didn't get the chance to do a walk for our charity Ohel Sarah, then try this week! Hopefully the weather should be much better. I've included Miss Cohen's instruction video again!	STEM What's in your house? Find 5 things in your house. What are they made from? Can you name the properties of the different materials? Have a look at the link on Seesaw to help you.
