

Year 6 Home Learning – 1.6.2020

English Tasks

This week (and next) we will be focussing on the Date Class Chronicles.

I know some of you have been planning this already so we will work from your list. On Thursday, you will all be assigned a story from the chronicles to write. We will base this on what has already been planned. Those of us who are in school will be doing this during lessons and you will be having some videos of me teaching it too, uploaded to Seesaw on the day of teaching!

We will also be looking at writing a “how-to” guide for returning to school. Use my “sneak peek” video to give you the information then create a guide to share what will be going on in school.

Maths Tasks

This week will be averages!

Day 1- what does “average” mean? How many types are there?

Day 2- looking at “mean” average. This is what most people are thinking of when they say the word average.

Day 3- looking at “mode” and “median”. When are they used?

Day 4- problem solving linked to averages.

Topic Tasks

Healthy eating- design a healthy meal. Look at the list of ingredients on Seesaw. What’s the most interesting meal you can come up with using only these ingredients? Can you create a recipe and share it to the blog?

Physical, Personal and Social Development

<p>PE</p> <p>Around the world</p> <p>How many times can you pass a ball around your waist in 60 seconds?</p> <p>If you drop the ball, carry on counting your score from where you left off.</p> <p>You can use a football, tennis ball, socks, toilet paper etc.</p>	<p>End of year Yearbook!</p> <p>We are going to start gathering things for our yearbook! Look at Seesaw for more information about what I need from each of you (coming Thursday).</p>	<p>Singing Reply!</p> <p>This week it’s “When you believe” which we’ll be learning in class too!</p> <p>I love to see your comments and pictures of you joining in so please keep uploading them!</p>	<p>Art Street Art</p> <p>1. Watch the video about Street Art.</p> <p>2. Create your own drawings and patterns that could go on the city wall.</p> <p>You can use the link provided https://www.tate.org.uk/kids/games-quizzes/street-art or just click</p>
--	--	---	--

Watch the video to see Mrs Pearce's attempt :) Who can beat her score?			respond button to make your drawing. 3. Have Fun!!!
<p>Languages</p> <p>More Spanish! We will be doing some in class and I'll video our efforts for everyone at home to join in too.</p>	<p>Reading</p> <p>Inference questions! Yay! Read along with me and then answer the questions on Seesaw by replying to the activity.</p>	<p>Discussion</p> <p>How are you doing? Use the template sheet to help you think about how you are feeling at the moment with everything that is going on in the world.</p>	<p>Back to school</p> <p>One of the really weird times being back in school will be break times. Can you think of any activities or games that children can play whilst still being able to socially distance themselves?</p>
