IMPORTANT INFORMATION: Please use Seesaw to share all the extra work you have been doing. You can include pictures of Maths/English workbooks, videos of music and singing practice, pictures of your art, voice recordings of your daily reading or videos of the new skill you've been working on. Your teacher will be very happy to see all your hard work!

English Tasks

- **Reading Eggspress:** Complete reading comprehension, spelling and library book task.
- **Offline task:** Words families based on root words 'struct' and 'uni'.
instruct, structure, construction, instruction, instructor, unit, union, united, universe university.
You can ask a grown-up to test you or you can create a sentence for each word to help you remember all the spellings. Is there a word that you keep forgetting how to spell? You can draw a little picture to go with it or write the vowels and consonants in different colours!
- **Seesaw:** Journey to the centre of the Earth: writing a pamphlet.
- **Seesaw:** Commas in lists SPaG challenge.

Maths Tasks

- **Mathletics:** Reasoning and Problem solving activities. These activities can be found on the orange Explore tab.
- **Seesaw:** White Rose Maths Lessons (solving problems involving money).
- **Seesaw:** Number of the week and multiplication wheels
- **Offline task:** Plan a birthday party - use the shopping list provided to choose what items you'd like to purchase for your imaginary birthday party. Once you are done with your list, add all the prices to find out how much the party would cost. If this is too easy, you can come up with your own prices or look online for the real price of each item.
