

### Wheat Aleph and Wheat Bet

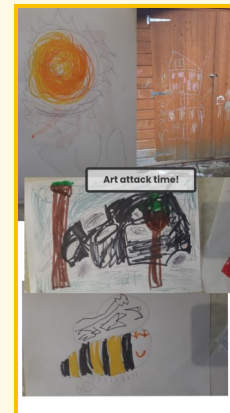

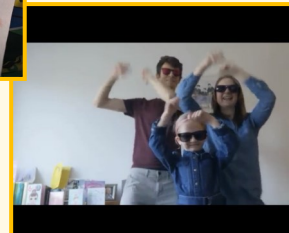

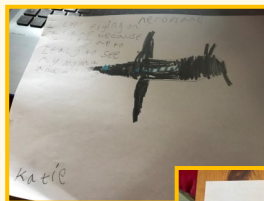

This week, Reception have well and truly been getting stuck into their home learning routine and we are very proud of how well they have adjusted to working online! There have been some excellent posts on SeeSaw and we love seeing them all, keep them coming! Our topic this week was animals and the children have been participating in different animal themed activities. For example, in Maths we learnt about repeating patterns on a variety of animals. Take a look at some of the patterns the children made. Can you guess which animal they belong to? In Phonics, we have recapped the sounds, g, u and m and in handwriting we have been practising the letter h. Keep up the great work, Reception!

### Year 1

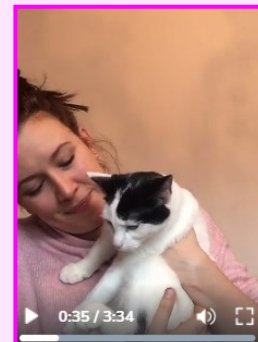

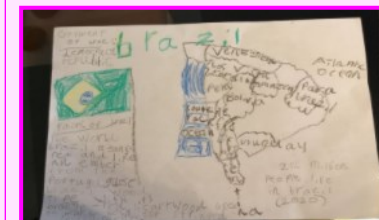

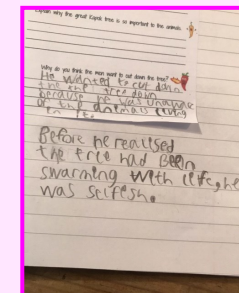

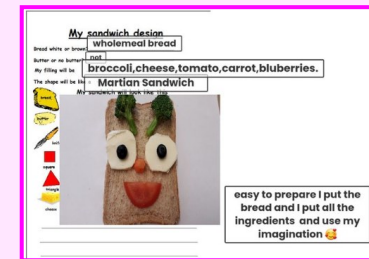

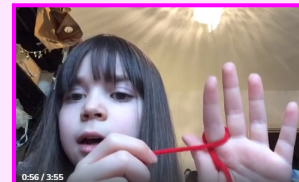

### Barley Aleph and Barley Bet

What a first week of home learning it has been, I am so incredibly impressed with the effort Year 1 have put in to their work. Mr Barker thinks there might be a few budding teachers in the class, I must say I'm worried I won't have a job at this rate! We have started our new topics of transport and the seven continents. They were set a task of creating their favourite mode of transport and explain why it is - the level of creativity was off the charts!!

### Grape Aleph and Grape Bet

This week Year 2 have begun to adapt to home learning again. In English we have started our new class text 'The Great Kapok Tree'. We have been having reading comprehension and literacy lessons about the characters and the setting in the book. In Maths we have continued our work on multiplication by looking at equal groups. We managed to kick off our new topic of Brazil, the children have started to research Brazil and submit posters onto seesaw. The class have been loving Miss Novak's sandwich DT challenge and we have had some brilliant pictures sent in so far of all the sandwich faces. I have also loved seeing your videos from home (like Abi's tutorial on how to hand knit) please keep them coming. We had a very exciting story time this week when the class were introduced to Moira the kitten who joined us for some end of the day reading.

### Date Aleph

This week, Year 6 have dived into their online learning and have really impressed everyone with their enthusiasm and resilience. What fantastic role models we have! We started our new Topic (World War 2) and explored the reasons behind the war in addition to the key events that occurred throughout. This week, we organised the order of these events in a variety of ways as you can see in the photos. We also started our new text, Letters from the Lighthouse, which explores many themes around the war such as evacuation and kindertransport. We will be exploring these themes in-depth throughout the term.

## Mazel Tov

### Achievements

As of next week, teachers will be choosing children for their names to appear here.

Dear Parents and Carers,

We hope you all are managing to stay safe. These are difficult times, and we remain ever grateful for this special Mosaic community and the thoughtful care during these uncertain days.

Thank you for all your support last term; we've raised £2,000 for Mosaic this academic year. We will be kicking off the new year with a family music bingo. Sign up to [www.friendsofmosaic.co.uk](http://www.friendsofmosaic.co.uk) to buy your tickets and keep up to date with all the latest events.

Please reach out to us at [friendsofmjps@mjps.org.uk](mailto:friendsofmjps@mjps.org.uk) if you want to get more involved or if you have ideas for the future.

Thank you for your continued support this year, and we look forward to seeing you at our events in this new term.

With gratitude,  
Friends of Mosaic
