

Wheat Aleph and Wheat Bet

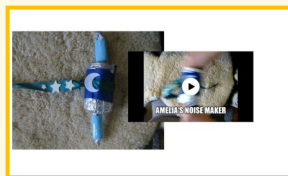

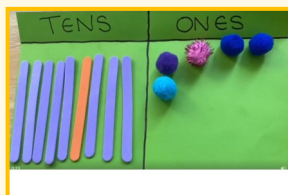

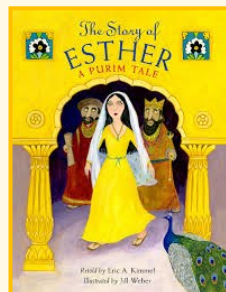

This week Reception have been learning all about Aliens! We read the story 'Aliens Love Underpants' and thought about the setting, the characters and the beginning, middle and end. We learnt how to double and practised doubling the spots on some underpants the aliens stole and even designed our own underpants! We have enjoyed our new Show and Tell sessions in the afternoons and have been impressed with what the children have shown us from home or school.

Year 1

Barley Aleph and Barley Bet

This week in Year 1 we have been learning about the story of Queen Esther, getting into the Purim spirit! In English, we have been thinking about Esther's bravery and how we can show this quality within our own lives. In Maths, we have been looking at some really BIG numbers and completing some very tricky problem solving. In topic, we have started learning about plants and the seasons. Children have even begun growing their own plants which is very exciting indeed! In Music, we made our own Rashanim (noise makers) and experimented with different things to put inside it, in order to change the tone. Well done Year 1 for another incredible week of learning. You are ALL stars!

Grape Aleph and Grape Bet

It has been a fun packed week for Year 2 as we have been learning about the story of Purim. We have been making puppets for the characters, freeze framing key parts of the story, sequencing the story and using conjunctions. We have been sorting 2D shapes and looking for lines of symmetry in Maths. We have also been making Hamantaschen and Purim baskets! It's been a fantastic week!

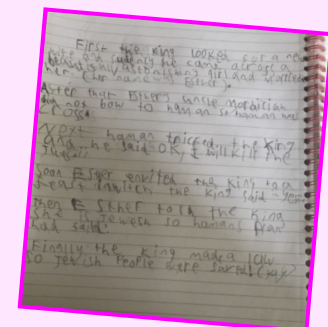

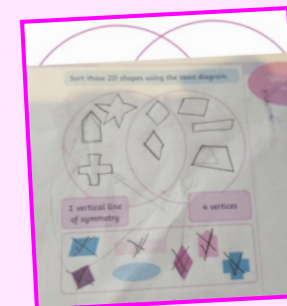

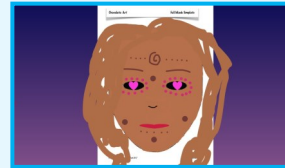

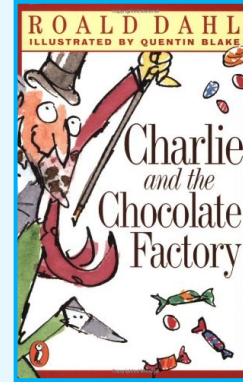

Fig Aleph

What a fun and exciting week Fig Aleph have had! In Maths we started a new block of learning on measurement with the focus of measuring in millimetres, centimetres and meters. We also looked at comparing equivalent measurements. In English we started our new book 'Charlie and the Chocolate Factory' looking at using our inference skill to answer comprehension questions and using adjectives and adverbs to describe a character. We had an exciting spellings lesson on words which are homophones. In topic we learnt about different states of matter. In P.E we enjoyed joining Joe Wicks for his fun Spider-Man work out. For Purim we took time to think about what we could do to help others and what it means for us to celebrate Purim. Some of us made Hamantaschen. In Art we looked at the G-d or G-ddess of chocolate and created our own masks. In Mosaic Time we celebrated Purim by dressing up and playing party games.

Well done Year 3 on a busy and successful week!
HAPPY PURIM!

Olive Aleph

We have been so excited to see everyone again after a week away. We got straight back into learning, continuing to tackle fractions in Maths. We are starting to write stories that include epic physical or emotional journeys and are looking forward to sharing some of them with you next week. We have been learning about Aaron and the Kohanim and looking at the special clothing they wear. In ICT, we have been continuing to develop our coding skills and have started to create visuals to go alongside our stories. Mrs Novak also set us a fantastic Art task to make our own modern day papyrus sheets!

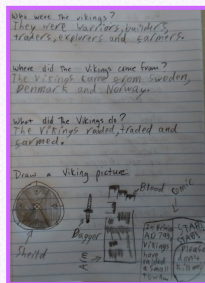

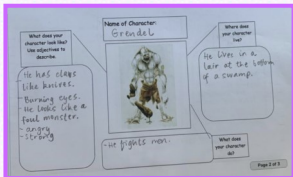

Year 4

Pomegranate Aleph and Pomegranate Bet

Year 4 dove right back into learning after a much-deserved half-term break. They have been working on their fractions, exploring how to add and subtract fractions from whole numbers and how to represent fractions of objects.

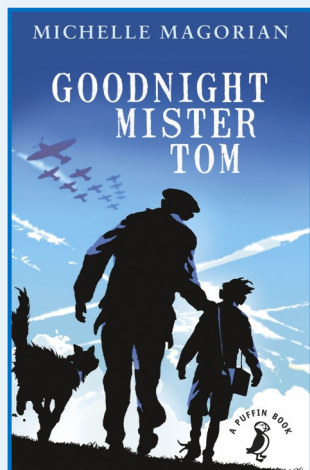

In English Year 4 has started reading Beowulf and have been focusing on creating descriptions using the 'power-of-three' (using 3 adjectives instead of one to describe characters and settings).

In topic, Pomegranate A and B looked at Vikings and created fact files about their origins and the reasons why they traveled to Britain.

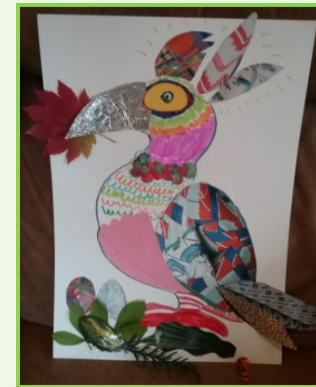

Date Aleph

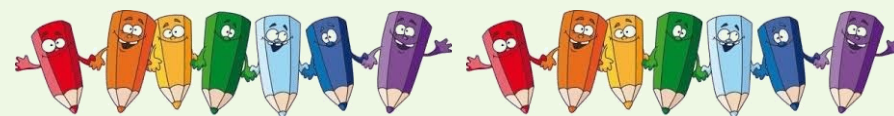

This week Year 6 started reading Goodnight Mr Tom. As well as having live reading sessions, we have also discussed and explored our characters in preparation for our narrative writing next week. We have come across lots of vocabulary that we learned from our World War 2 unit too! In Maths, we have started our new unit of measurements. This week we have worked on metric measures with conversions and calculations: it's been great to build upon our earlier learning of multiplying and dividing by 10, 100, and 1000! In Science, we have started working on circuits and using the appropriate symbols to represent various components. This will prepare us for our investigations later on this term

**Mazel Tov****Key Stage One**

Alex from Barley Bet created a sensational collaged rainforest bird in which he incorporated arts and craft resources as well as some natural materials. Well done!

**Key Stage Two**

Roberto from Olive Class for creating a colourful piece of art inspired by Japanese Artist Yayoi Kusama, known as "The process of Polka Dots". Now Mosaic has its own Prince of Dots - Roberto! Roberto spent an hour and a half adding dots on his flowers. Very Well done!

SPRINGTIME ART COMPETITION

Lyle House Care Home wants your artwork!

Our residents would love to decorate their home with artwork from local children. Enter our art competition and you could win a fantastic prize and bring some springtime sunshine to our care home. Simply send us a picture you have drawn, painted or made with a springtime theme.

Great prizes!
Ages 5-11: Win a **£20 book token**, runner up wins a **craft set!**
Ages 12+: Win a **£20 book token**, runner up wins an **art set!**

How to enter: Simply send in your artwork to Nina Rogers at Lyle House Care Home, 207 Arabella Drive, Roehampton, London, SW15 5LH

Entries should be no larger than A4 in size and can be in any media. Closing date is Wednesday 3rd March. Winners will be announced on 17th March on our Facebook page @lylehousecarehome. Please remember to put your name, school, address and contact number on the back of your entry.

Any questions please contact Nina on
nina.rogers@countrycourtcare.com or 07568 128 217

World Book Day

Along with many other activities to celebrate World Book Day, the teachers have got together to create Mosaic's version of The Masked Reader.

The first 4 videos will go live on Monday 1st March 2021.
<https://www.mjps.org.uk/world-book-day>

04.03.21

THE MASKED READER

Mosaic is getting very mysterious this world book day.

Some of the Mosaic team will be reading you stories from behind their masks...your job is to guess who is reading to you!

Each day videos of our masked readers will go live on the website for you to watch. On Thursday you will be asked to guess who is who.

Whilst you are on the website you have an extra world book day challenge!

We have hidden 20 different book covers all over the website.

Can you find all 20?

Dear Parents and Carers,

Just before half-term, our 'Thank You Video' was shown to all MJPS staff. Be sure to watch the video (you might want to grab some tissues first).

The video can be found here:
<https://www.mjps.org.uk/home-learning>

A big congrats to Lila Kanner who won the virtual balloon race and the £20 Amazon gift card.

FOM Second Hand Uniforms

Nothing fitting, need some school uniforms?

Email your order through to friendsofmjps@mjps.org.uk by the end of Tuesday 2nd of March.

Orders will be ready for collection after school Monday 9th March.

Do you have ideas for a fun social activity or fundraiser?

Contact friendsofmosaic@mjps.org.uk to share your suggestions. No idea too 'out there'!

'NOT ALL ABOUT FOOD'

Dr Anna Colton and Hope Virgo will discuss the causes of eating disorders and will explore how to spot signs and symptoms of both disordered eating and eating disorders.

[Click here to book your place](#)

Wednesday
3rd March, 7pm

Learn and understand more about healthy and unhealthy eating patterns, spotting signs, support and signposting.

PRACTICAL SKILLS TO COPE WITH DIFFICULT CONVERSATIONS AND TIPS ON MANAGING WELLBEING

DR ANNA COLTON HOPE VIRGO

Dr. Anna Colton is a clinical psychologist with 20 years experience working with eating disorders.

Hope Virgo is a leading international and award winning advocate for people with eating disorders. She will share some of her own story and tips on managing wellbeing.

PaJeS
Supporting Jewish Schools

From 27th February to 1st March, CST is hosting a crowdfunding campaign called **'Together We Protect'**. Jewish people across the UK will visit a campaign website and donate to CST. Each donation will be matched from a special fund which will encourage people to give, and see their donations doubled. The objective of the campaign is for everyone – young and old – to come together to support CST. It is our joint responsibility to ensure the security of our Jewish community.

CST's work allows Jewish people in the UK to live vibrant, safe and secure Jewish lives with confidence. Securing shuls, schools and events – wherever Jews gather together – CST is there to provide reassurance and protection.

Mosaic has always worked in close partnership with CST to create a safe and secure environment for our children. CST provides funding for security enhancements, training to our security guards and keeps a watchful eye over our school from its 24/7 National Security Control Centre. CST never charges for anything it does and depends on charitable donations to survive.

CST is not 'just another charity' but is part of the very fabric of our community and so Mosaic is delighted to support this campaign.

So, from Saturday evening 27 February, please **visit the Together We Protect website**, browse to the Mosaic Jewish Primary School page and give generously. Let's join together to protect CST, just as they have protected us over many years.

Apples and Honey Nightingale - London SW12 is looking for

Early Years Practitioner with Key Worker Responsibilities

£20,000 - £22,000 a year - Full-time, Permanent

Apples and Honey Nightingale is a community interest nursery located on the grounds of a care home. Part of the children's routine and early education involves intergenerational activities and experiences with the residents of the care home.

We are looking for a new full-time member of staff to join our small and hard-working staff team in our unique intergenerational nursery with a Jewish ethos.

Please visit our website

www.applesandhoneynightingale.com

NVQ 2 or 3 in childcare (or equivalent) with relevant experience of working in an early-years setting and acting as a key person. We will be happy to meet and interview candidates currently undertaking an NVQ2 qualification before completion, as long as they have the relevant experience.

We are committed to safeguarding and promoting the welfare of children and expect all staff and volunteers to share this commitment. This role will be subject to an enhanced DBS check. CVs are only accepted in an addition to a fully completed application form.

Applicants from candidates of all faiths and those with none are encouraged.

Job Title Early Years Practitioner (Key Person)
